DETAILED ACTION

Claim Objections

1. Claim 8 is objected to because of the following informalities: the following typos appear in claim 8, "sovkets" (line 10) and "elongated_fluorescent" (line 19).

Appropriate correction is required.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 2,5, and 7 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 2, there are various limitation set forth in sections "c,d,e" which are considered redundant in that they repeat without further defining elements previously recited in parent claim 1. Similarly, claim 5 recites "a ballast" which repeats the recitation of a ballast in parent claim 1. Finally, claim 7 also recites "a ballast" (claim 7, line 6) as well as "rim edges" (claim 7, line 11) which have been previously recited in parent claim 1 and as such should be set forth in antecedent form or deleted as redundant if they are not further limiting the previous limitation. Clarification is required.

Allowable Subject Matter

4. Claims 1,3,4, and 6 are allowed.

5. Claims 2,5, and 7 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
